Conclusion:

Many dictators in the authoritarian countries use the pandemic COVID-19 to suppress the dissidents, freedom of speech and the opposition. The Azerbaijani dictator, Ilham Aliyev, has implemented the most brutal repressions against the people with dissenting views.

The collapse of oil prices and the COVID-19 pandemic have caused serious social and economic problems in Azerbaijan, which could certainly trigger the citizens' protests. However, Ilham Aliyev did not intend to provide any financial assistance to the citizens. The dictator decided to preclude any civil demonstrations by means of the repressions exclusively. The arrests were already launched in March 2020.

From 12 to the 16 of July there were clashes on the Armenian-Azerbaijani state border, with casualties and deaths on either side. In solidarity with the killed soldiers, thousands of people demonstrated in the center of Baku in evening on 14 July. The dictator could not ignore this opportunity to provoke clashes between citizens and the police in order to prosecute dozens of pro-opposition activists. The video, filmed by the journalists at the demonstration, clearly depicts the State Security Service (SSS) officers, notably the SSS Major General himself, Rauf Khalafov, the President's cousin who was one of the first entering the Azerbaijani Parliament building, the doors to which happened to be suddenly open on the night of 15 July. It was clearly seen that the demonstrators, including the SSS officers, wandered through the Parliament Lobby and left the building. Nothing was damaged or smashed there.

But on 21 July Ilham Aliyev delivered a speech accusing the opposition of preparing a coup d'etat, which he said allegedly had begun with the seizure of the Parliament building.

After that, about 150 people were arrested within a few days. They were brutally beaten, tortured and asked to testify about the forthcoming coup. Dozens of citizens were brought to administrative charges and received between 15 and 60 days of detention. The criminal cases were filed against 36 citizens under the following articles: 186.2. (*Deliberate destruction or damage of property*), 233 (*Organizing actions encouraging the violation of public order or active participation in such actions*), 315 (*Resistance or use of violence against the representative of authority*) and 278 (*Violent capture power or violent deduction power*), also article 139-1 (*Infection of other person with venereal disease committed by a person who knew to be infected*) of the Criminal Code of the Azerbaijan Republic.

Victims of crime in the MNS – 1 person

55. Jeyhun Saleh oglu Aliyev

Date of arrest: January 14, 2007

Charge: Articles 28.2 (*The criminal liability shall be instituted only for preparation of minor serious and especially serious crimes*); 180.3.1 (*The robbery, is plunder of another persons property committed by organized group*); 218.2. (*Participation in criminal community (criminal organization) or in association of organizers, heads or other representatives of the organized groups*); 228.1 (*Illegal purchase, transfer, selling, storage, transportation or carrying of fire-arms, accessories to it, supplies (except for the smooth-bore hunting weapon and ammunition to it), explosives*); 274 (*High treason, that is, deliberate action committed by a citizen of the Azerbaijan Republic to the detriment of the sovereignty, territorial integrity, state security or defensibility of the Azerbaijan Republic: changeover to enemy side, espionage, distribution of state secrets to foreign state, rendering assistance to a foreign state, foreign organization or their representatives resulting in hostile activity against the Azerbaijan Republic*) and 278 (*Violent capture power or violent deduction power*) of the Criminal Code of the Azerbaijan Republic

Sentence: On December 10, 2007 the Baku Grave Crimes Court sentenced to 14 years in prison

Judge: Anvar Seyidov

Place of detention: Prison No. 7

Conclusion:

On January 13-18, 2007 about 30 people were arrested in Baku in the Said Dadashbeyli case. Some of the detainees were released later under the condition to witness against the rest 11 people being kept in the National Security Ministry (MNS). The law was grossly offended already at the start of the arrest of the accused: without a court ruling, without presence of the very accused and without arrest witnesses independent from the special services, the MNS officers were breaking into the apartments of the accused and were openly planting the arms and other “evidence” despite the protesting and outraged relatives. All this grossly violates Article 125 of the Criminal Code of Azerbaijan. The first days after the arrest, none of the arrested was offered an opportunity of employing counsel. During the first seven months of the investigation none of them was delivered to court to bring charges against, to issue an arrest warrant and pass a court decision on placement in custody for the period of the investigation. This also shows the gross violation of the law. The accused were for the first time delivered to court, to the first session of the Grave Crimes Court only on September 17, 2007, in other words 8 months after the arrest! All the investigation long and before the trial, from January 13 to December 11, 2007, the accused were put into solitary cells of the MNS and tortured. They were frequently beaten, deprived of sleep, water and food; psychotropic medication was used against them; the MNS threatened to use violence against their family members if they refused to confess as the investigation wanted. In March 2007 one of them, Emin Mammadov, died of brutal torture. His death was medically certified of the causes. During several months his parents and the public were not informed about his death. His family was threatened with new repressions should they turn to human rights defenders and even get the public to question the whereabouts of killed Emin Mammadov. When the lawyer inquired about his whereabouts of investigated E. Mammadov, the MNS replied that they did not know anything about this person – he was allegedly never taken to the MNS. Moreover, the name of Emin Mammadov was never mentioned during the court hearings. He disappeared completely for the court and the public. The trial was closed. Even the relatives were not allowed in! But according to Article 200 of the Code of Criminal Procedure of Azerbaijan, a court hearing can be closed and non-public when a state secret is available. But the indictment does not mention a state secret, nor does it refer to Article 200 of the Code of Criminal Procedure of Azerbaijan to ground the closed hearing. Therefore, the closed hearing of the case was illegal and added to gross violation of law. In the course of the trial, the accused flatly denied all the charges, told about the tortures and other abusive treatment they suffered. As it turned out during the trial, many of the accused of creating a underground terrorist organization in fact did not even know each other! None of the charges was proved. But the trial, however, ended in the victory of the prosecution.

GROUP № 5

BELIVERS - 51 people

Members of the Islamic Party

56. Movsum Mardan oglu Samadov – Chairman of the Islamic Party of Azerbaijan

Date of arrest: January 07, 2011

Charge: Articles 28 (*Preparation to a crime*); 214.2.1 (*Preparation of terrorism, committed on preliminary arrangement by group of persons, by organized group or criminal community/organization*); 214.2.3 (*Preparation of terrorism, committed with application of fire-arms or subjects used as a weapon*); 228.3 (*Illegal purchase, transfer, selling, storage, transportation and carrying of fire-arms, accessories to it, supplies or explosives, committed by organized group*) and 278 (*Violent capture power or violent deduction power*) of the Criminal Code of the Azerbaijan Republic

Sentence: on October 07, 2011 the Baku Grave Crimes Court sentenced to 12 years in prison

Judge: Eldar Ismayilov

Place of detention: Gobustan Closed Prison

Conclusion:

The Islamic Party of Azerbaijan (IPA) was founded in 1991 in Baku and registered in 1992. Although the IPA's registration was revoked in 1995 by the Supreme Court, its activity was not actually banned. Thus the party is still operating without registration. When Movsum Samadov was elected as the Party Chairman in 2007, the party applied to the Ministry of Justice for registration. The Ministry did not register the party.

At the IPA General Assembly held on January 02, 2011, Samadov made a speech strongly criticizing President Aliyev for the social situation in the country. In his speech, Samadov referred to articles from the *Washington Post* and the *New York Times* about villas in Dubai reportedly owned by the president and his son, adding that the wealth of the Azerbaijani people and state had been stolen; there were no jobs for Azerbaijani youth despite the country's great wealth; injustice and bribery ruled in the country; the money spent on the Flower Festival to celebrate the birthday of former President Heydar Aliyev was essentially stolen from the people; and idolatry was promoted in the country by idolizing Heydar Aliyev. Samadov's speech went viral on social media networks, particularly on YouTube, leading to broad discussions.

Five days after this speech was made, on January 07, 2011, Samadov and many of his fellows were arrested and charged in preparation of a terrorist act and a coup. However, in court Movsum Samadov and other arrested believers categorically rejected all charges and stated that law enforcement officials planted them weapons during the arrest, then tortured during the investigation. During the trial the prosecution had failed to prove the fact of preparation of terrorist act and a coup. But the court nevertheless agreed with the arguments of the prosecution and sentenced to large period of imprisonment.

57. Ruhulla Hojatullah oglu Akhundzade – member of the IPA

Date of arrest: January 21, 2011

Sentence: on October 07, 2011 the Baku Grave Crimes Court sentenced to 11 years and 6 months in prison

Judge: Eldar Ismayilov

Place of detention: Prison No. 15

Conclusion:

Ruhulla Axundzade passed through the same trumped-up case with Movsum Samadov

Charge: Articles 28 (*Preparation to a crime*); 214.2.1 (*Preparation of terrorism, committed on preliminary arrangement by group of persons, by organized group or criminal community/organization*); 214.2.3 (*Preparation of terrorism, committed with application of fire-arms or subjects used as a weapon*) and 228.3 (*Illegal purchase, transfer, selling, storage, transportation and carrying of fire-arms, accessories to it, supplies or explosives, committed by organized group*) of the Criminal Code of the Azerbaijan Republic.

Sentence: on October 07, 2011 the Baku Grave Crimes Court sentenced to 10 years in prison

Judge: Eldar Ismayilov

Place of detention: Prison No. 1

Conclusion:

Firdovsi Mammadrzayev passed through the same trumped-up case with Movsum Samadov

59. Dayanat Alasgar oglu Samadov – cousin of the chairman of the IPA

Date of arrest: January 08, 2011

Charge: Articles 28 (*Preparation to a crime*); 214.2.1 (*Preparation of terrorism, committed on preliminary arrangement by group of persons, by organized group or criminal community/organization*); 214.2.3 (*Preparation of terrorism, committed with application of fire-arms or subjects used as a weapon*); 228.3 (*Illegal purchase, transfer, selling, storage, transportation and carrying of fire-arms, accessories to it, supplies or explosives, committed by organized group*) and 278 (*Violent capture power or violent deduction power*) of the Criminal Code of the Azerbaijan Republic

Sentence: on October 07, 2011 the Baku Grave Crimes Court sentenced to 11 years in prison

Judge: Eldar Ismayilov

Place of detention: Prison No. 12

Conclusion:

Dayanat Samadov also passed through the same trumped-up case with Movsum Samadov

60. Abgul Neymat oglu Suleymanov - head of the religious community *Jafari Hayat* (Jafar's Life)

Date of arrest: August 12, 2011

Charge: Articles 228.1 (*Illegal purchase, transfer, selling, storage, transportation or carrying of fire-arms, accessories to it, supplies (except for the smooth-bore hunting weapon and ammunition to it), explosives*); 233 (*Organization of actions promoting infringement of a social order or active participation in such actions*); 234.1 (*Illegal purchase or storage without a purpose of selling of narcotics or psychotropic substances in a quantity (amount) exceeding necessary for personal consumption*) and 283.2.1 (*Excitation of national, racial or religious hostility with application of violence or with threat of its application*) of the Criminal Code of the Azerbaijan Republic

Sentence: on August 10, 2012 the Baku Grave Crimes Court sentenced to 11 years in prison

Judge: Mayil Bayramov

Place of detention: Prison No. 11

Conclusion:

Abgul Suleymanov is well known in Azerbaijan as a religious activist and influential religious figure. Abgul Suleymanov, who was teaching the Koran and Islamic religion since 2001 on a mobile basis, helped to establish the “National Moral Values” Public Union in 2005.

On 12 August 2011, the Ministry of National Security (MNS) and the Prosecutor General's Office released a joint statement saying Suleymanov and journalist Ramin Jahangir oglu Bayramov and IPA member Arif Gulsuvar oglu Ganiyev who were arrested together with him were suspected of assisting a foreign state and its delegates in conducting enmity against Azerbaijan, as well as inciting mass disorders and violation of public safety, and encouraging people for disobedience. The statement went on to say that Suleymanov, with financial support from the Baku-based Cultural Center of the Islamic Republic of Iran, created and led a radical religious group called “Jafari” without official state registration.

All three were sentenced to pre-trial detention. Although they were subject to a joint investigation, their trials were conducted separately, in conflict with the statement released on 12 August. The district courts sentenced Ramin Bayramov and Arif Ganiyev to 1.5 years in jail (Ramin Bayramov was recognized by Amnesty International as a prisoner of conscience; both men have since been released). But Suleymanov's case was heard by the Baku Court of Grave Crimes. The trial started in August 2012. The last decision about Suleymanov's pre-trial detention was issued by the Sabayil District Court on 6 April 2012. The decision stated that his pre-trial detention was extended to 11 May 2012. This clearly showed that Suleymanov was detained in prison for three months (from May to August 2012) illegally, that is, without a court decision.

During the investigation and at the trial Abgul Suleymanov stated about the falsification of the charges against him and indicated that weapons and drugs were planted by police officers. Abgul Suleymanov is a victim of political repressions against popular religious figures.

Sentence: the trial was being conducted in secret. On 2017 the Baku Grave Crimes Court sentenced to 5 years in prison

Judge: Ahmed Quliyev

Conclusion:

Inglab Ahadly - deputy of chairman of the IPA, headed the Committee for the protection of the chairman of the IPA Movsum Samadov, published an appeal on ordered nature of M. Samadov's sentence. He was arrested by intelligence officers in his own house. The investigation and trial was being conducted in secret. Conclusion:

The authorities have been actively persecuting peaceful believers, especially activists of the Islamic party and the Muslim unity movement, for almost 20 years. In 2011, the Chairman of the IPA, Movsum Samadov, was arrested and sentenced to 12 years in prison on charges of attempting to violently overthrow the constitutional order and create a religious state in the country. Ilham Aliyev took his place in the Islamic party and was also arrested

ARRESTED ON *NARDARAN CASE*, INCLUDING MEMBERS OF THE *MUSLIM* *UNITY MOVEMENT*

Explanation about *Nardaran case* and *Muslim Unity Movement*

There are arrested at different times and in different places and are the victims of political repressions of regime that brooks no dissent and criticism.

There are all residents of Nardaran village which is located 40 km from Baku, has low standards of living and acute unemployment problem. One of the most respected by Shiites mosques, founded in the 8th century, is located in Nardaran. Nardaran differs from other Baku villages with its religiosity. In 2000, 2002, and 2006, the residents of Nardaran held peaceful protests with socio-economic demands. In June 2002, police carried out military operation in the village, as a result of which 28 people were injured, one died. 23 people were sentenced to various terms of imprisonment on falsified charges; in espionage in favour of Iran, in attempt of violent change of power, and etc. However, as a result of the active work of human rights defenders, none of them remained in the custody after 2005.

On November 26, 2015, there was another police operation in Nardaran. Armed with automatic weapons, the police entered the village and opened heavy fire. As a result, 6 people were killed, including two police officers. Dozens of citizens were arrested. The Ministry of Internal Affairs and General Prosecutor's Office issued the joint statement, in which they explained the use of firearms against the villagers as an operation necessary to neutralise a criminal armed group that functioned under a religious cover, which planned mass riots, terrorist acts and destabilisation of the socio-political situation in the republic.

On July 19, 2016 the trial of 18 defendants in the *Nardaran case* was held in the Baku Grave Crimes Court. During the trial all the accused testified that both the policemen and four residents of Nardaran were killed by the police officers. On the trial defendants informed that the police beaten them to death in a car in which they were transported to the Main Directorate for Combating Organized Crime (MDCOC) of the Ministry of Internal Affairs.

The accused told about brutal tortures to which they were subjected in the MDCOC. All appeals of lawyers to the Prosecutor's Office to the need of investigation of the facts of tortures and crimes of law enforcement officers were ignored.

Tale Bagirzade testified that he was beaten and tortured more than 30 days so he testified against leader of the opposition Popular Front Party of Azerbaijan Ali Kerimli and chairman of the National Council of Democratic Forces Jamil Hasanli.

During the trial in the Baku Grave Crimes Court, the accused refused the primary testimony given during the investigation, indicating that they had testified under torture.

The majority of those arrested had no lawyers, all witnesses against them were police, and many of believers were convicted without trial. But when conducting trials, there were no evidence against the accused presented at these trials.

We divided political prisoners in so-called *Nardaran case* into three groups.

On May 7, 2017 the Prosecutor General, Ministry of Defense, Ministry of Internal Affairs and State Security Service issued a joint statement on revealing a group of military personnel and civilians that have been compromising military secrets to the intelligence and special units of the Armenian Armed Forces (for mere satisfaction of «material interests»). Authorities opened a criminal case with article 274 (State treason) of the Criminal Code of Azerbaijan and launched a special investigative group with the members of the above-mentioned agencies. On May 7 the wave of arrests affecting not just the military but also civilian residents of the villages in close proximity of the frontline, targeted mainly Tartar region. On May 7-8 media reported 47 arrests within one day, yet they did not specify names of the detainees. After that date press stopped reporting the arrests, yet unconfirmed information from the frontline suggested that number of arrested people reached 400 by May 17.

People were taken from their homes or from the work places. The arrests were taking places without providing the accused with the lawyer, the imprisonment was happening without the court decisions. Journalists and editors reporting on these arrests were called into the Prosecutor general's office to warn them against distribution of «state secrets».

On May 16, 2017 IPD already started receiving information about individuals tortured to death. Finally, was provided information about death of 7 people killed without investigation or trial. The information on the website of IPD:

<https://www.ipd-az.org/law-enforcement-agencies-of-azerbaijan-sanction-murders/>

and

<https://www.ipd-az.org/aliyevs-regime-will-not-succeed-in-hiding-the-killings-of-citizens-of-azerbaijan/>

The bodies were not passed to the families of the killed, they were buried, in such way, trying to prevent of seeing bodies mutilated under tortures.

However some were managed to see the disfigured bodies of their loved ones.

In 2018 closed trials took place. Military prosecutor Khanlar Veliyev fabricated charges against almost 100 citizens of Azerbaijan Republic. IPD managed to receive only two verdicts:

1. Verdict under No.1 (098) - 146/2018, issued by the Tartar Military Court on July 9, 2018, which sentenced 7 military to long term in prison - <https://www.ipd-az.org/ru/the-trial-of-7-persons/>

2. Verdict under No. 1-1 (095)-163/2018, issued by the Ganja Military Court on August 16, 2018, which sentences Emil Aliev to 12 years in prison - <https://www.ipd-az.org/ru/another-unbased-accusation-of-change-of-the-homeland/>

Currently, the names of 25 citizens who were convicted on trumped-up charges of treason, etc. are known.

Conclusion:

On July 3, 2018 there was assassination attempt on the Chief of the Executive Power Elmar Valiyev. Ganja born Yunis Safarov wounded him and his body guard.

The name Yunis Safarov became well-known in Republic, after his photos were widespread on July 3rd-4th, at social networks, on which Safarov was lying on the floor, there were a lot of blood near him and on him, and there were traces of tortures on his body. Photos became evidence that Y. Safarov was beaten and brutally tortured.

After this, protest action against arbitrariness of the authorities was scheduled to July 10th, in front of Ganja city administration and widespread via social networks.

On July 10, Ministry of Internal Affairs informed about the disorders in Ganja, during which two police colonels were killed. Noteworthy, those were exactly two police colonels, who on July 3rd, did not allow Elmar Valiyev's son to kill Yunis Safarov... It is also important to pay attention, that the killing of the colonels took place without any intervention of police, the killer came to the square with a dagger in his hand, and he also left it easily. State Security Service and Ministry of Internal Affairs started mass arrest among the believers. 77 people were arrested, attracted to criminal responsibility. 8 more persons were killed during "armed resistance"

All the detainees on "Ganja case" were divided into groups. One of the first verdicts was passed on February 22, 2019. Ganja City Court on Grave Crimes sentenced the group of the accused, consisting of 11 people. On March 1, and March 15, 2019, there were also the passing of the verdicts.

Analysis of the indicated judicial proceedings demonstrated that all verdicts are unlawful, groundless, unjust and passed in accordance with political order. Court ignored the absence of any proofs of the guilt of the defendants on pressed charges against them; court did not investigate numerous complaints on the facts of tortures that accused were subjected to; court crudely violated the national legislation of the AR: Article 28 and 46 of the Constitution of the AR, Article 13 and 21.2 of the Code of Criminal Procedure of the AR; also the norms of international law: Article 6 (2), 5 (1), 3 of European Convention for the Protection of Human Rights and Fundamental

Freedoms, Article 5 of Universal Declaration of Human Rights, also the Convention against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment.

Thus, judicial proceedings and verdicts demonstrated the full absence of the judicial independence and their execution of the political order during sentencing on so called “Ganja case”.

Conclusion:

In 1993-1997 the ruling regime of Azerbaijan condemned a large group of veterans of Karabakh conflict – soldiers and police officers for political reasons to death under the Criminal Code approved by the law of the Azerbaijan SSR on December 08, 1960. All convicts were tortured, some died in prison before the trial.

On 10 February 1998, the Parliament of the Republic adopted the law *On amending the Criminal Code, the Criminal Procedure Code, and the Correction-Labor Code*, to abolish the death penalty in Azerbaijan. Article 4 of this law stated that the punishment of persons sentenced to the death penalty prior to the law taking force, shall be replaced with a sentence of life imprisonment. In fact, death penalty was replaced with a type of punishment that was not enshrined in any legislation at the time.

The new Criminal Code of Azerbaijan Republic, which provides for the punishment of life imprisonment, entered into force in 2000. The old Criminal Code, which was in force until 2000, did not provide for life imprisonment, but for the death penalty and a maximum term of 15 years of imprisonment. Therefore, all persons sentenced to the death penalty before 2000 should have to replace the penalty to 15 years of imprisonment or to judge again.

It is not legally lawful for them to replaced the death penalty for life imprisonment without trial and a court verdict on the basis of a decision of Parliament. When Azerbaijan joined to the Council of Europe in 2001, the Institute for Peace and Democracy (Director Leyla Yunus) presented a list of 716 political prisoners to the CoE experts. This list included also mentioned above 14 people. All of them were found for political motives.
