### ***Conclusion:***

In 2021, Shahin Hajiyev was repeatedly detained by the police, 2 times he has been detained administratively for 30 days. The fact that Shahin Hajiyev is under constant police persecution is due to his harsh criticism of the authorities on the social networks.

In his appeal to the public, he stated that he had been arrested upon the order on the basis of trumped-up charges. Hajiyev stated that he had signed his testimony as a result of torture. According to the activist, no expertise was conducted after his detention, and falsified reports were attached to his case.

"They wrote that a forensic drug examination dated on 29 November, determined that I had suffered from heroin addiction. However, no examination was conducted on 29 November. I never used either cigarettes or alcohol," Hajiyev wrote.

## GROUP № 3

### BELIVERS - 19 people

#### Members of the Islamic Party of Azerbaijan

##### 14. Movsum Samadov – Chairman of the Islamic Party of Azerbaijan

**Date of arrest:** 7 January 2011

**Charge:** Articles 28 (*Preparation to a crime*); 214.2.1 (*Preparation of terrorism, committed on preliminary arrangement by group of persons, by organized group or criminal community/organization*); 214.2.3 (*Preparation of terrorism, committed with application of fire-arms or subjects used as a weapon*); 228.3 (*Illegal purchase, transfer, selling, storage, transportation and carrying of fire-arms, accessories to it, supplies or explosives, committed by organized group*) and 278 (*Violent capture power or violent deduction power*) of the Criminal Code of the Azerbaijan Republic

**Sentence:** On 7 October 2011 the Baku Grave Crimes Court sentenced to 12 years in prison

**Judge:** Eldar Ismayilov

**Place of detention:** Gobustan Closed Prison

##### **Conclusion:**

The Islamic Party of Azerbaijan (IPA) was founded in 1991 in Baku and registered in 1992. Although the IPA's registration was revoked in 1995 by the Supreme Court, its activity was not actually banned. Thus, the party is still operating without registration. When Movsum Samadov was elected as the Party Chairman in 2007, the party applied to the Ministry of Justice for registration. The Ministry did not register the party.

At the IPA General Assembly held on 2 January 2011, Samadov made a speech strongly criticizing President Aliyev for the social situation in the country. In his speech, Samadov referred to articles from the *Washington Post* and the *New York Times* about villas in Dubai reportedly owned by the president and his son, adding that the wealth of the Azerbaijani people and state had been stolen; there were no jobs for Azerbaijani youth despite the country's great wealth; injustice and bribery ruled in the country; the money spent on the Flower Festival to celebrate the birthday of former President Heydar Aliyev was essentially stolen from the people; and idolatry was promoted in the country by idolizing Heydar Aliyev. Samadov's speech went viral on social media networks, particularly on YouTube, leading to broad discussions.

Five days after this speech was made, on 7 January 2011 Samadov and many of his fellows were arrested and charged in preparation of a terrorist act and a coup. However, in court Movsum Samadov and other arrested believers categorically rejected all charges and stated that law enforcement officials planted them weapons during the arrest, then tortured during the investigation. During the trial the prosecution had failed to prove the fact of preparation of terrorist

act and a coup. But the court nevertheless agreed with the arguments of the prosecution and sentenced to large period of imprisonment.

#### 15. Abqul Suleymanov - head of the religious community *Jafari Hayat* (Jafar's Life)

**Date of arrest:** 12 August 2011

**Charge:** Articles 228.1 (*Illegal purchase, transfer, selling, storage, transportation or carrying of fire-arms, accessories to it, supplies (except for the smooth-bore hunting weapon and ammunition to it), explosives*); 233 (*Organization of actions promoting infringement of a social order or active participation in such actions*); 234.1 (*Illegal purchase or storage without a purpose of selling of narcotics or psychotropic substances in a quantity (amount) exceeding necessary for personal consumption*) and 283.2.1 (*Excitation of national, racial or religious hostility with application of violence or with threat of its application*) of the Criminal Code of the Azerbaijan Republic

**Sentence:** On 10 August 2012 the Baku Grave Crimes Court sentenced to 11 years in prison

**Judge:** Mayil Bayramov

**Place of detention:** Prison No. 11

#### **Conclusion:**

Abqul Suleymanov is well known in Azerbaijan as a religious activist and influential religious figure. Abqul Suleymanov, who was teaching the Koran and Islamic religion since 2001 on a mobile basis, helped to establish the “National Moral Values” Public Union in 2005.

On 12 August 2011, the Ministry of National Security (MNS) and the Prosecutor General's Office released a joint statement saying Suleymanov and journalist Ramin Jahangir oglu Bayramov and IPA member Arif Gulsuvar oglu Qaniyev who were arrested together with him were suspected of assisting a foreign state and its delegates in conducting enmity against Azerbaijan, as well as inciting mass disorders and violation of public safety, and encouraging people for disobedience. The statement went on to say that Suleymanov, with financial support from the Baku-based Cultural Center of the Islamic Republic of Iran, created and led a radical religious group called “Jafari” without official state registration.

All three were sentenced to pre-trial detention. Although they were subject to a joint investigation, their trials were conducted separately, in conflict with the statement released on 12 August. The district courts sentenced Ramin Bayramov and Arif Qaniyev to 1.5 years in jail (Ramin Bayramov was recognized by Amnesty International as a prisoner of conscience; both men have since been released). But Suleymanov's case was heard by the Baku Court of Grave Crimes. The trial started in August 2012. The last decision about Suleymanov's pre-trial detention was issued by the Sabayil District Court on 6 April 2012. The decision stated that his pre-trial detention was extended to 11 May 2012. This clearly showed that Suleymanov was detained in prison for three months (from May to August 2012) illegally, that is, without a court decision.

During the investigation and at the trial Abqul Suleymanov stated about the falsification of the charges against him and indicated that weapons and drugs were planted by police officers. Abqul Suleymanov is a victim of political repressions against popular religious figures.

In 2011, the Chairman of the IPA, Movsum Samadov, was arrested and sentenced to 12 years in prison on charges of attempting to violently overthrow the constitutional order and create a religious state in the country. ## **ARRESTED ON *NARDARAN CASE*, INCLUDING MEMBERS OF THE *MUSLIM UNITY MOVEMENT***

### **Explanation about *Nardaran case* and *Muslim Unity Movement***

There are arrested at different times and in different places and are the victims of political repressions of regime that brooks no dissent and criticism.

There are all residents of Nardaran village which is located 40 km from Baku, has low standards of living and acute unemployment problem. One of the most respected by Shiites mosques, founded in the 8th Century, is located in Nardaran. Nardaran differs from other Baku villages with its religiosity. In 2000, 2002, and 2006, the residents of Nardaran held peaceful protests with socio-economic demands. In June 2002, police carried out military operation in the village, as a result of which 28 people were injured, one died. 23 people were sentenced to various terms of imprisonment on falsified charges; in espionage in favour of Iran, in attempt of violent change of power, and etc. However, as a result of the active work of human rights defenders, none of them remained in the custody after 2005.

On 26 November 2015, there was another police operation in Nardaran. Armed with automatic weapons, the police entered the village and opened heavy fire. As a result, 6 people were killed, including two police officers. Dozens of citizens were arrested. The Ministry of Internal Affairs and General Prosecutor's Office issued the joint statement, in which they explained the use of firearms against the villagers as an operation necessary to neutralise a criminal armed group that functioned under a religious cover, which planned mass riots, terrorist acts and destabilisation of the socio-political situation in the republic.

On 19 July 2016 the trial of 18 defendants in the *Nardaran case* was held in the Baku Grave Crimes Court. During the trial all the accused testified that both the policemen and four residents of Nardaran were killed by the police officers. On the trial defendants informed that the police beaten them to death in a car in which they were transported to the Main Directorate for Combating Organized Crime (MDCOC) of the Ministry of Internal Affairs.

The accused told about brutal tortures to which they were subjected in the MDCOC. All appeals of lawyers to the Prosecutor's Office to the need of investigation of the facts of tortures and crimes of law enforcement officers were ignored.

Tale Bagirzade testified that he was beaten and tortured more than 30 days so he testified against leader of the opposition Popular Front Party of Azerbaijan Ali Kerimli and chairman of the National Council of Democratic Forces Jamil Hasanli.

During the trial in the Baku Grave Crimes Court, the accused refused the primary testimony given during the investigation, indicating that they had testified under torture.

The majority of those arrested had no lawyers, all witnesses against them were police, and many of believers were convicted without trial. But when conducting trials, there were no evidence against the accused presented at these trials.

### **Conclusion:**

On 7 May 2017 the Prosecutor General, Ministry of Defense, Ministry of Internal Affairs and State Security Service issued a joint statement on revealing a group of military personnel and civilians that have been compromising military secrets to the intelligence and special units of the Armenian Armed Forces (for mere satisfaction of «material interests»). Authorities opened a criminal case with article 274 (*State treason*) of the Criminal Code of Azerbaijan Republic and launched a special investigative group with the members of the above-mentioned agencies. On 7 May the wave of arrests affecting not just the military but also civilian residents of the villages in close proximity of the frontline, targeted mainly Tartar region. On 7-8 May media reported 47 arrests within one day, yet they did not specify names of the detainees. After that date press stopped reporting the arrests, yet unconfirmed information from the frontline suggested that number of arrested people reached 400 by 17 May.

People were taken from their homes or from the work places. The arrests were taking places without providing the accused with the lawyer, the imprisonment was happening without the court decisions. Journalists and editors reporting on these arrests were called into the Prosecutor general's office to warn them against distribution of «state secrets».

On 16 May 2017 IPD already started receiving information about individuals tortured to death. Finally, was provided information about death of 11 people killed without investigation or trial. The information on the website of IPD:

<https://www.ipd-az.org/law-enforcement-agencies-of-azerbaijan-sanction-murders/>

and

<https://www.ipd-az.org/aliyevs-regime-will-not-succeed-in-hiding-the-killings-of-citizens-of-azerbaijan/>

The bodies were not passed to the families of the killed, they were buried, in such way, trying to prevent of seeing bodies mutilated under tortures.

However, some were managed to see the disfigured bodies of their loved ones.

In 2018 closed trials took place. Military prosecutor Khanlar Valiyev fabricated charges against 78 citizens of Azerbaijan Republic. IPD managed to receive only two verdicts:

1. Verdict under No.1 (098) - 146/2018, issued by the Tartar Military Court on 9 July 2018, which sentenced 7 military to long term in prison - <https://www.ipd-az.org/ru/the-trial-of-7-persons/>

2. Verdict under No. 1-1 (095)-163/2018, issued by the Ganja Military Court on 16 August 2018, which sentences Emil Aliyev to 12 years in prison - <https://www.ipd-az.org/ru/another-unbased-accusation-of-change-of-the-homeland/>

Currently, the names of 27 citizens who were convicted on trumped-up charges of treason, etc. are known.

### **Conclusion:**

On 3 July 2018 there was assassination attempt on the Chief of the Executive Power Elmar Valiyev. Ganja born Yunis Safarov wounded him and his body guard.

The name Yunis Safarov became well-known in Republic, after his photos were widespread on 3-4 July, at social networks, on which Safarov was lying on the floor, there were a lot of blood near him and on him, and there were traces of tortures on his body. Photos became evidence that Y. Safarov was beaten and brutally tortured.

After this, protest action against arbitrariness of the authorities was scheduled to 10 July, in front of Ganja City administration and widespread via social networks.

On 10 July Ministry of Internal Affairs informed about the disorders in Ganja, during which two police colonels were killed. Noteworthy, those were exactly two police colonels, who on July 3rd, did not allow Elmar Valiyev's son to kill Yunis Safarov... It is also important to pay attention, that the killing of the colonels took place without any intervention of police, the killer came to the square with a dragger in his hand, and he also left it easily. State Security Service and Ministry of Internal Affairs started mass arrest among the believers. 77 people were arrested, attracted to criminal responsibility. 8 more persons were killed during "armed resistance"

All the detainees on "Ganja case" were divided into groups. One of the first verdicts was passed on 22 February 2019. Ganja City Court on Grave Crimes sentenced the group of the accused, consisting of 11 people. On 1 March and 15 March 2019, there were also the passing of the verdicts.

Analysis of the indicated judicial proceedings demonstrated that all verdicts are unlawful, groundless, unjust and passed in accordance with political order. Court ignored the absence of any proofs of the guilt of the defendants on pressed charges against them; court did not investigate numerous complaints on the facts of tortures that accused were subjected to; court crudely violated the national legislation of the Azerbaijan Republic: Article 28 and 46 of the Constitution of the AR, Article 13 and 21.2 of the Code of Criminal Procedure of the Azerbaijan Republic; also the norms of international law: Article 6 (2), 5 (1), 3 of European Convention for the Protection of Human Rights and Fundamental Freedoms, Article 5 of Universal Declaration of Human Rights, also the Convention against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment.

Thus, judicial proceedings and verdicts demonstrated the full absence of the judicial independence and their execution of the political order during sentencing on so called “Ganja case”.

#### ***Conclusion:***

In 1993-1997 the ruling regime of Azerbaijan condemned a large group of veterans of Karabakh conflict – soldiers and police officers for political reasons to death under the Criminal Code approved by the law of the Azerbaijan SSR on December 08, 1960. All convicts were tortured, some died in prison before the trial.

On 10 February 1998, the Parliament of the Azerbaijan Republic adopted the law “*On amending the Criminal Code, the Criminal Procedure Code, and the Correction-Labor Code*”, to abolish the death penalty in Azerbaijan. Article 4 of this law stated that the punishment of persons sentenced to the death penalty prior to the law taking force, shall be replaced with a sentence of life imprisonment. In fact, death penalty was replaced with a type of punishment that was not enshrined in any legislation at the time.

The new Criminal Code of Azerbaijan Republic, which provides for the punishment of life imprisonment, entered into force in 2000. The old Criminal Code, which was in force until 2000, did not provide for life imprisonment, but for the death penalty and a maximum term of 15 years of imprisonment. Therefore, all persons sentenced to the death penalty before 2000 should have to replace the penalty to 15 years of imprisonment or to judge again.

It is not legally lawful for them to replace the death penalty for life imprisonment without trial and a court verdict on the basis of a decision of Parliament. When Azerbaijan joined to the Council of Europe in 2001, the Institute for Peace and Democracy (Director Leyla Yunus) presented a list of 716 political prisoners to the CoE experts. This list included also mentioned above 14 people. All of them were found for political motives.
